The Summer Camp will be designed to deliver 5 action packed days of fun, skills and games for boys & girls of all levels of ability, from age 5 + in a non competitive environment and to encourage everyone to stay active & healthy. This year's Camp will be run voluntary by our Underage Committee Members which will ensure familiarity & commitment to all who attend. We also intend to utilize the services of known individuals who are / have been associated with the club & have great experience in up to date coaching & training techniques.

We hope that by focusing on participants needs & performances will encourage all to achieve & demonstrate enjoyment, equality and fair play in sport and of course to make friends.

We will be issuing a detailed Summer Camp timetable/schedule & further information in due course.

While every effort is made to ensure continuity during the week of the camp, we would ask you to please understand that in the interests of safety and welfare there may be occasions where we cannot continue to coach and it becomes necessary to suspend or cancel coaching activities.
