# Happy & Healthy New Year!

# A QUICK WORD FROM OUR CHAIRMAN.

This a quick word from me to wish all the managers and members and their families a very Merry Christmas and a Happy and Peaceful New Year.

With Watergrasshill United growing from to strength we have had another extremely busy year on and off the field since our formation in 2004. In 2015 the club is offering U6, U7, U8, U9, U10, U11, U12, U13, U14, U15 teams in the Cork Schoolboys League, an U17 team in the Cork Youth League, an AUL team and an U14 Girls team in the Cork Womens and Schoolgirls Soccer League to the wider Watergrasshill and Glenville Community. With over 275 active members our facilities have never been in a greater demand. We sincerely thank Marcus O'Reilly for his continuous work and maintenance done at Skehanagh Park on a weekly basis. No pitch/no club..!

Needlesstosay our volunteers in terms of managers/coaches/fundraising etc are constantly working tirelessly all on a voluntary basis to ensure the club continues to strive. We thank them all sincerely.

Thanks as well to all our sponsors, your contributions are an integral part of funding for the Club.

I'd like to thank all who supported the Cork Penny Dinners Food Collection over the last few weeks and all other contributors that supported our various fundraising events during the year. It's quite evident that all donations are reinvested immediately back into the Club and this year some of the raised funds went towards the Watergrasshill National School astro turf project. A great assett to the community and hopefully we will be able to make use of this for our academy teams very soon.

Our efforts within the community are being recognized and 2015 was the first year we were able to secure 2 sport grants to further develop the club.

I wish ye all a Merry Christmas & a Happy successful footballing New Year....

On behalf of our U14 Girls team, I would like to thank Mary Sheehan for her help so far this year and also Dave Hogan and behind the scenes Paul Sharkey. The biggest thanks of all needs to go to the players and their parents, without them the U14 Girls team wouldn't be able to continue. So far we played 2 League games with one win and drew one. # **UNDER 8 TEAM UPDATE**

2015 was a great year for the U8s in which we have played in numerous games versus some very strong opposition and had great results. Overall there is a big improvement and the lads are in top form showing great potential and teamwork.

We are very confident they will do brilliantly when the official CSL small sided games kick off in 2016. We hope to field two U8 small sided teams. (5 a side)

Pictures include: recent blitz in Mallow, Coerver Training in Carrigtwohill, home on a sunny day and prize giving on the June week end.

Thanks to the Dads that have helped out – Tim, Eamonn, Marcus and Liam. Much more help is needed in 2016 if the lads are to reach their full potential!!

Training has moved to Bride Rovers Astro on Saturday and will remain there until spring 2016.

Have a great Christmas and here's to a happy and successful 2016.

#### **UNDER 9 TEAM UPDATE**

During 2015 we participated in many friendlies and also in the SSG's (small sided games) against some good teams where we gave a very good account of ourselves. We have a large and ever expanding squad which can only bode well for the future. Indeed the academy as a whole is growing strong in numbers, that was evident by the popularity of the summer camp in June and the numbers at training weekly.

As a group the team is progressing and it is inspiring to see the progress being made. Like most wannabe superstar players lots are reluctant at times to pass the ball however that will improve in time. We have a very eager and enthusiastic squad who are gaining valuable experience. This is fantastic at such a young age and will assist them to develop a strong team ethic. The most important thing is that the lads enjoy themselves.

At present we are training on the astro turf pitch in Castlelyons as our pitches fall victim to our chronic weather. In January we shall begin training on Tuesday Nights in preparation for matches at the weekends.

I would like to thank all the parents who gave up their time to get the players to matches and training, I would also like to thank the Dads who helped out , to name a few Denis, Ken, Colm, Peter, Richie and Sean and anyone else who has helped. All assistance is greatly appreciated. I would finally like to thank Rob and Frank for their continued support and help.

#### UNDER 10 TEAM UPDATE

Our team play in division 4 of the CSL small sided games. We as coaches hope to progress to a higher level after Christmas as lot of games didn't benefit our team - we played 8 matches in total, we won 7 and drew 1.

Our team is growing all the time, last year we only had about 14 players, this season we have 25 boys. Now we have some excellent players from Watergrasshill, Rathcormac, Fermoy, Leamlara and other places.

Our players are very committed, they all train hard every week and the result shows at our games and we all are very proud of them ..

# DENIS & JINTY

# UNDER II TEAM UPDATE

Our under 11s started training on the 12th of august with only 12 players in the squad because part of the U11 age group are playing a year above their age in the 9 a side U12 CSL league. While the season progressed the squad grew to 20 players. The U11's play weekly in the 7-a side U11 CSL league where they play 2 seven a side games side by side. The 25 minute a side games were introduced this year to give everyone equal playing time. To date the U11's have played nine games, winning seven and loosing two. All the lads try hard in training and give it their all and that's all we can ask for.

# **UNDER 12 TEAM UPDATE**

2015 proved to be a very successfull year in terms of playing numbers and teams. We have continued with 2 teams at this age level (born 2004) and in total over 30 players played U11 from September 2014 to June 2015 with the assistance of U10 players.

We had a great cup run this year reaching Turners Cross on the 14th May after beating 2 premier teams & division 1 winners on our way. The day was an experience for us all both as players & coaches. The support we received on the day from club managers, coaches & players was exceptional and something that we really appreciated. The night didn't go our way as we went down 1-0 to Lakewood.

Due to our cup run, our league campaign was extended and came down to Tuesday 9Th June away to Crosshaven with a winners take all. The lads were outstanding on the night and ran away 6-1 winners to take the CSL U11 Division 2 title. A fantastic & well deserved achievement.

This season from September has seen us play every week in the CSL U12 Division 1. We started off quiet well with 4 victories but since have a mixed bag of results. We currently sit in 2nd place.

Myself, Rob & Emmet are very fortunate to have, not only a great bunch of lads but also a great bunch of parents who have supported us every step of the way. The continuous support at matches they give the lads with encouragement not only for their own child but all team players is very heart warming. The way they leave the kids play their own game is to be admired and I am convinced that's what is helping the lads improve their own game.

The game can be one of different opinions but the most pleasing aspect for Myself, Rob & Emmet is seeing the lads not only grow as players but also as children. They are a pleasure to work with and of course we have our moments but who doesn't.

Special thanks to our shirt sponsor EMC for providing us with a team match kit.

FRANK, ROB & EMMET

# UNDER 12A TEAM NEWS

What a start to the CSL season for all the lads. Playing under 12 (division 5), while still only under 11 is to say the least incredible.

The attitude they have and their will to win is so remarkable. All the hard training they have done, not only this year but in the last three years is now starting to pay dividends.

If anyone told me we would be top of division 5 and in the 3rd round of the Founders Cup by Christmas, I would have given my right hand.

These are an exceptional bunch of lads on and off the pitch and we are so proud of them for all they have achieved so far. The standard of football they are playing for their age is awe-Inspiring and delightful to watch.

It's a privilege to be involved with such a great bunch of kids, and great credit must go to their parents. So here's hoping for a great 2016.

# UNDER 12B NEWS

Our U12b's are the surprise of the Division 7 of the Cork Schoolboys League. Undefeated after 5 wins in the CSL and undefeated in the Albert Conboye Cup through a 1-4 win against Buttevant a & 4-2 win against Cobh Ramblers.

Myself and Ciaran are very fortunate to have, not only a great bunch of lads but also a great bunch of parents who have supported us every step of the way. The continuous support at matches is evidence of that and the way they leave the kids play their own game is to be admired and we are convinced that's what is helping the lads improve their own game.

# UNDER 13 TEAM NEWS

We finished last season just short of getting promotion to the Premier Division, in hindsight it was probably for the best as we were short a couple of players to compete at that level.

The high point of our year was our trip to Holland to compete in a European tournament. There was a lot of fund raising involved in this and once again we take this opportunity to thank all the local businesses who supported us, and the shops who let us on to their premises for collections. The parents and other club members who got involved in a quiz night out, the bright spark who came out with the bright idea to get sleeping bags in Heatons will forever be close to our heart's! The Holland trip was a fantastic experience for all the kids and the adults who came with us to help out..we had good laughs and it has to be said once more that a lot of credit goes to Rob for all the background work that he put into the entire event, thanks again Rob. It was a great achievement to lose 1 out of 6 games and we did our club proud.

We started the season with 2 new players who have settled in nicely and have strengthened our squad. We are well placed at this point in time to gain promotion and remain unbeaten in league and cup competitions. We qualified out of our section for The National Cup and we have drawn Ardee Celtic from County Louth in the last 32 of this competition. This will be played at the end of January and please come out to support us on the day.

So to finish we would just like to thank the lads for all their dedication to training, there in all weather and always wanting to stay longer and always great to work with. Thanks to the parents for putting up with the all consuming U13 football team and everthing else takes second place as far as the lads are concerned.

Special thanks to those parents who always volunteer to help out with special events teas/coffees, selling tickets, fundraising, your help is invaluable to us and is greatly appreciated.

Enjoy your Christmas PADDY & MARCUS

# UNDER 15 TEAM UPDATE

The U15 started the league with a hard fought 1-1 draw at home to Churchvilla back in August with David Cummins grabbing the goal from close range. We didn't play our best that day but dug out a result. Next up was an away game to one of the favourites for the league in Ringmahon Rangers. There we played out a stormer of a game coming away with a 3-3 draw - only a late home town penalty denied the lads. Ceadan Hogan, Paddy King and Stephen O'Toole getting the goals that day, with an honourable mention to Paul Ciocan who made a fantastic save from an earlier penalty. On October 3rd were playing at home and lost 1-2 at home to Springfield Ramblers. This was a disappointing result, a very late goal at the death denying the lads a deserved point. As we moved through October we also went away to St Marys, drawing again 1-1. Stephen O'Toole grabbed his second of the season after great work by Aiden Barton. Marys scored from their only real shot of the game - an absolute stunner from 30+ yards. Just one of those things! At the time of writing our last league game was a 1-2 home loss to league leaders Avondale. Ethan Nixon gave us the lead on the stroke of half time but playing into a strong wind in the second half we gave up 2 goals. We finished stronger but just couldn't find our way past the well organised Avondale defence and keeper. Although our results haven't been much to write home about, we have played all the top 4 in the division so we hope 2016 will bring us the just rewards the hard work of the team deserves.

In the Founders Cup we went out of the Neil Welch after drawing a Leeside team who are still top of Division 2 – the strongest team we could have drawn. Dylan McCarthy scored for Watergrasshill in a game that had few positives.

Our squad continues to grow stronger, we have added Paul Ciocan in goals, Sean Knox on the left side and Dylan Power in defence. This brings us up to 15 on the age players. We still get great support from the u14s when needed and a special thanks go to Stephen O'Toole, Keelin O'Sullivan, Sean Graham, Sean Og Barrett and Mark Garde who have stepped up and played with us this year.

Overall a big thank you to Jack O'Grady (Captain) Ceadan Hogan, Cathal Feehan, Harry Buskievic, Aiden Barton, David Cummins, Seamus Ahern, Ethan Nixon, Paddy King, Josh Collins, Aaron Foley, Dylan McCarthy, Paul Ciocan, Sean Knox and our latest signing Dylan Power for all their work over the past year, and to the parents for supporting the kids and ourselves in the management

MICK MCCOURT & DAVE HOGAN.

All of us at Watergrasshill United, wishing you and your family

a Merry Christmas

and a very

Happy & Healthy New Year!
